

# Singing Classes for Learning Children's Songs for Parents and Others

--- Wednesdays in March, April and May ---

--- 10:00 - 12:00 or 2:00 - 4:00 ---

Come and learn to sing to your child!

Learn to play and sing with the kinderharp, a simple, 7-string instrument. Learn basic and healing singing exercises to tune and tone the voice.

Classes taught in a safe and happy environment, honoring each person as they are and bringing confidence and freedom to sing for our little ones.

Learn wonderful, easy and enjoyable songs from around the world.

If you have a 7-string instrument, bring it along. If you don't, there are a couple of extras available.

Anyone in the community who has one, please consider renting it out or giving it to our group for their use.

We will meet at the EcoHeal Center  
(alongside Dani and Rula Mouawad's home)  
6435 Pathway Court, Chapel Hill, NC, 27516

Registration is recommended.  
Classes begin March 6th, 2019.  
\$100 for one month of classes  
or \$25 per class
